Mr. Werner:

This will confirm our telephone conversation of this afternoon wherein I advised you that we represent Lear Corporation regarding the above-captioned matter and requested a 30-day extension of time, until December 3, 2011, to respond to the agency's request for information. The extension is necessary due to the scope of the request directed to this former Lear facility. Thank you in advance for your anticipated concurrence. I look forward to your response.
